

LFWI: COOKERY & CRAFT SUB COMMITTEE

DECOUPAGE

- TUTOR:** Amanda Greenall
- VENUE:** LFWI Offices, Leyland, PR26 6TU
- DATES:** Friday 11th May or Saturday 12th May 2018
- TIME:** 10am to 3.30pm
- FEE:** £20.00 - plus £8 payable to the tutor for materials used

In this class Amanda will show you the techniques used to achieve two decoupage items. You will apply the techniques to a small wooden trinket box and to a wine glass, to make a tea light holder. Amanda has been teaching this craft for some time, and will show you how to decorate various items that you might otherwise discard.

You will need to bring an apron or wear old clothes as it can be quite a messy craft and some old newspapers to cover your table. Amanda will provide all the materials and equipment you will need to use for a cost of £8.

You will also need a packed lunch and we will provide tea/coffee and cake/biscuits throughout the day.

Amanda's work can be seen on her facebook page - beautifulthingsbyamanda
