Come and enjoy a fun filled day learning the techniques required to make up one of these over the day. Create your own willow hare sculpture OR weave your own elegant heron learning basic sculptural weaving techniques as you do so. Suitable for beginner and intermediate willow weavers. Both make lovely indoor or outdoor decorations.

You will need to bring a pair of secateurs, a pair of gardening gloves and your lunch. Joe will provide the Willow at a **cost of £15** per person and the other equipment you will need.

Tea/coffee and biscuits/cake will be provided throughout the day but members will need to bring a packed lunch.
